MATCH REPORT

Ferndown Golf Club was at its best on Sunday for the South East League Match. After Dorset's successes at the SW Championships hopes were high of continuing the momentum. As it turned out, the morning foursomes proved to be the pivotal stage of the game. A number of the Dorset players got off to slow starts against some great golf from the Kent men. One win came from the Walker/Cook partnership which gave us some hope going into the afternoon singles.

The Dorset Team showed some pride and character in being up in the majority of matches going into the back 9. This continued, however, Kent is a strong County and yet again played exceptionally to make it a tight finish. James Wythe superbly sank a 30ft putt on the 18th to win 1 up and put us in with a chance of the half which now rested on the last match between Andy Windsor and Jonathan Bell which turned out to be had a battle royale which unfortunately saw Andrew come up just short of turning a 1 down loss into a win. Captain for the day, Iain Donnelly, was proud of the response from the players after a stale morning. All of the players can hold their heads high and aim to win in our next match against Surrey at Effingham GC on Sunday 6 Jul 08.
