Match Report.

The 2nd July saw us playing Surrey at Sherborne. The weather forecast was poor and indeed we did have a very heavy shower as the match was starting. Happily it soon stopped and the afternoon became glorious. Sherborne was in good condition but as they are trying to encourage a variety of grasses on the greens they do not cut them below 5mm, which made them very slow. When I selected the team order of play I had a good feeling and very soon we were up in the top five matches. However as they came through the 13th green the picture was decidedly less rosy, four of them were now down, and my heart and hopes were heading in a southerly direction. All ended happily as a recovery took place and we went on to win by the best score we have had since joining the league, 8 matches to 2. The three newcomers to the team, Chris Dennis, Phillip Addis and Charles Troth all played their part with good wins. Now we must see if we can do the same to Sussex in August.

Anthony Eden Seniors' Captain.
