The County 1st Team Match vs The Army proved to be a very useful exercise in giving players match play practice prior to the first league match of the season against Hampshire.

Ben Harvey playing at the top of the order continued to show his good form following on from his Dorset Open win in April.

Peter Corrick and Charlie Trussel gained results on their debuts which helped to strengthen the squad for the future.

Rowan Smith and Lloyd Walton confirmed they are maturing as players with solid wins to help Dorset gain a halved match against a strong Army team.

May I thank Dorset Golf and Country Club for hosting the match and for their courtesy and catering during the event.

We now go to Stoneham for the Hampshire League Match with a team fully prepared for a tough and exciting match.
