**Match Comment:**

The morning started a little late due to some confusion over start times. Wiltshire also had the handicap of two missing players. We kindly lent them Tom Parsons and Harry Rickman with promises to play well for Wiltshire. We had a small handicap in that James Higgins had only just arrived from the USA complete with jet lag.

The morning fared well with three good wins – Tom and Harry doing well to lose only 3&2. After a lunch and considerable delay the singles began with James doing well but succumbing finally to jet-lag and a good player. He tried hard. Jackson Bowes and Sonny Wilkinson scored emphatic wins with Alex performing well as usual. The loaned pair fought very well losing only by pretty small margins.

The golf played was pretty good on a lively course – firm bouncing greens and a fairly fast surface. The overall result was a superb win by 8:1. A truly excellent achievement and a marvellous double against Wiltshire. Strong support was again in evidence from Dave Steward, Andy Parsons and Ian Clark, plus numerous family members. Thanks for that and an excellent day.
