MATCH REPORT

Dorset hosted the Surrey 1st team at Came Down on a sunny and windy day. The home fixture resulted in being a very deserved win for a determined Dorset team.

The highlight of the foursomes result being Walker/McMahon beating England Internationals Cooley/Rickett 4/3. Going into lunch at 2 all was the least Dorset could hope for and were keen to get back out in the afternoon.

Yet again, in the singles, Hector proved his pedigree playing at No. 1 by beating Cooley in the 17th, a great boost for the team still out on the course. A crucial half by Walker and 2 wins by Joy and Cook left Leech, in the back match, Dorset's hope for their 1st SE Lge win of the season. Tom did not disappoint beating Surreys captain Crockett 3/2.

Dorset's Captain, Iain Donnelly, cannot praise his players enough. As ever underdogs the guys face up to the challenge and have represented the County with distinction throughout the season.

Final match versus Sussex at Ashley Wood is looked forward to with relish for Dorset to finish the season on a high.
