### Report

Having had a clash of dates in October and a wash-out in November this was our first Quadrilateral meeting at Canford School GC on Sun 20 Dec 09. It was very cold but sunny; the greens were frozen as was the ground. Challenging conditions but playable nevertheless. Some excellent scores were produced, especially by Adam Jones, James Dodds and Jack Fairhall, with a surprising 33 points from the Dorset Girls newcomer, Andrea Parsons. The Junior Team won on a form of count back – the better lowest score on either side determining the victors. Rob Jones gave some balls as prizes to the winning team and Adam Jones received a sleeve of his own for best score.

We were royally welcomed by the ladies of the Club especially who provided a most welcome light snack after the match. The Club Captain made us welcome and some of the gallant members stayed in the cold to spot the more errant shots. Thanks go to everyone concerned, especially the Club Ladies, Captain, members and Rob Jones as the chief organiser. My personal thanks go to Liz Lloyd, the County Ladies Captain and her team, to Dave Steward and Andy Parsons and all the parents who so kindly sacrificed their Sunday to bring their youngsters to the match. I would also like to thank all those that stood in for missing players at the last minute.

Well done everyone – a great day and a super start to our Christmas break. May I wish you all the very best for 2010. Our next match is on 24<sup>th</sup> January 2010 with the venue to be confirmed.

Bill Kennedy  
 DCGU Juniors Secretary
