

Ringwood Brewery agrees to a further Year of Sponsorship to the Dorset Golf Union.

The Ringwood Brewery 'sponsorship deal' for 2010 and 2011 was a great success for Club, County and the Brewery; we are indebted to them for their support in these difficult times. MORE GOOD NEWS is that Ringwood Brewery have agreed to support the County for 2012, we thank them for that.

Chris Keating, Brand Manager at Ringwood Brewery, said: "There's nothing quite like a refreshing pint after a round of golf. That's why we thought it makes real sense for us to team up with the golf union to see the two traditional British pastimes of golfing and beer drinking continues to co-exist."

Clubs hosting the County Open, Mens and Seniors Championship and the Stroke Play event will each receive two free barrels of Ringwood, The DCGA Christmas event is also very well supported with tremendous hampers and beer.

The County Executive is very happy with the continuation on having Ringwood Brewery on board with County Golf.
