A very good day had by all. Well looked after by the captains and Ashley Wood golf club.

Team decimated by pending fixtures, and exams, but the boys played well, and put up a good fight and in some cases gave a few shots.

We have still not lost in this fixture. We halved in the first meeting in 1997, and won 9 years on the trot. Halved this year 2007 so the captains are looking forward to 2017.
