

DCGA – Christmas Meeting Weymouth GC 14 December 2011

The second of our two meetings for Christmas went ahead on Wednesday and whilst cold and windy the promised rain held off and at times the sun shone, the golf again was good as the scores reflect. It was nice to have Richard Saunders from Ringwood Brewery who have been our sponsors for the last two years they again did us proud this year with a fine range of prizes for the Christmas events. Our traditional Christmas meal was well presented and received by all, our thanks to all the staff at Weymouth

The winners of this meeting were Gerald Hayes and Mark Humphreys from Weymouth with a fine score of 42 points. They have had a great year also winning the DCGA 2011 Order of Merit. Congratulations to all the players who took part and hope to see you in April when the new season kicks off at the Isle of Purbeck.
