MATCH REPORT

A very good result considering most of the boys hadn't played the course before. Harry Mitchell after being 2 down after 10 birdied 4 of the next 7 to win. Fraser's attitude was very good as he was 6 down with 7 to play but battled on and only lost 3/2 in the end. I was pleased that Jordan Howlett won a singles match and he played very well considering he is going through many swing changes.

All in all, there were a lot of positives to come out of the match especially in the way all the boys helped each other in the foursomes and it was a good way to end the year.
