MATCH REPORT

Dorset travelled to Lambourne Golf Course (Buckinghamshire) a parkland course some 6700yards long for their last friendly before the season starts in earnest. This was another chance for Captain Chris Dennis to try some different foursome's pairings and also ensure that all those that were able and participated in the winter coaching programme had a chance to represent the County.

Although Dorset had not seen the course or had the chance to practice on it, Ben Harvey and James Wythe got Dorset off to a bright start they played consistently with Ben Harvey hitting some great iron shots, on the 8th hitting his ball to within 12 inches.

Matt Walker and Dan Smith also played very consistently with Dan almost holing out from 130yds with his second shot on the par 4 - 10th. Dorset had the opportunity to move ahead but Lee Booth and Iain Donnelly who started well had a bad spell in the middle of the round and they who were unable to claw back enough holes eventually losing on the 18th by one hole.

However 2 – 2 leading into the afternoon foursomes was a positive result and the players responded accordingly winning well in the afternoon.

Ben Harvey led the team out and had a real ding dong battle with Tim Newton before halving the game. James Wythe continues to make good progress finishing his round under par and one up against Craig Hinton who must have wondered if James would ever miss a putt from inside 10foot!

Matt Walker also played sub par golf chipping in at the 7th before winning his match 1up after finishing birdie par.

Tom Leech, Lee Booth and Mark Balson all played well enough to close out their matches and everybody was on the last green to see Dan Smith narrowly lose after hitting a fantastic 2nd shot to 10 foot, but was unable to convert the putt.
