**MATCH REPORT**

On a cloudy and overcast Sunday morning the first Colts match of the year got under way. The foursomes saw some erratic play from both sides making matches tight, but sadly we were on the wrong side as the results panned out, the best performance came from Matt Pryke and Jon Putman who were 4 down coming down the twelfth and secured a a half on the eighteenth a great fight back. Kent showed great class in the singles securing the first three games with some great play. Matt Pryke and Jon Putman again starred in the afternoon both securing good wins, Matt Hector fought very hard and secured a half on the eighteenth. Overall a disappointing result but there is room for improvement as we look forward to hosting Hampshire on the 29 July at Dudsbury GC.
