Report

Played on an overcast day with the odd light drizzle but on a course in excellent condition. It was also played in conjunction with an Under 18s match. The morning play was 9 holes foursomes with a long walk back to the clubhouse for lunch. The games were pretty even with the score all square. Lunch was early so the boys had a long wait before starting the singles as the club members played in the gap at lunchtime.

In the afternoon Billy-Joe was up against an in-form Ben Amor off 2. Both were due to play at the Reid Trophy the next day as was Chris Evans. He did well to hold Ben to 2&1. It was great to see the other matches all going Dorset's way, especially with new-boy Jeremy Abel for Sherborne gaining 1 ½ points in his first County match.

All credit too to Chris Evans for his good win and to Jordan Howlett enjoying excellent form in a terrifying 9&8 win over Nick James. Well done everyone and may we carry on the good work against Somerset at Chedington Court. The final score was 6 ½ : 2 ½.
