Captain's Report. A beautiful day on a well presented course saw Hampshire bring a strong side to play us at Parkstone as they still had hopes of catching Kent to win the league. A great match ensued

The top of our order played extremely well and we were soon four up. By the time we were congregating around the 18th green waiting for the last match Dorset were leading 5 4. David Backhouse and Mike Beal then appeared with Mike Beal 1 up. Both hit good shots into the 18th green and from about 20 feet Mike made a safe par. Then from about 15 feet David holed for a two to win the hole, get a half and give Dorset victory We then had a very convivial lunch with Hampshire who were very graceful in defeat.
